We at Seabreeze

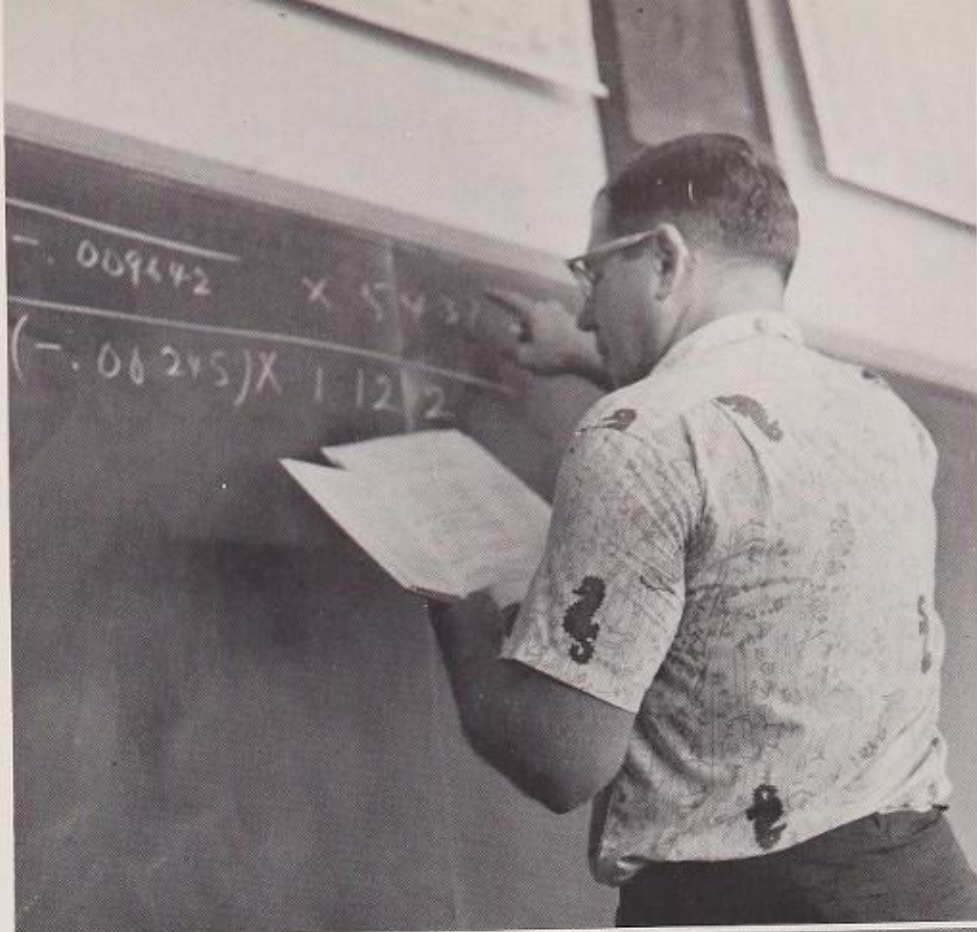

BELIEVE

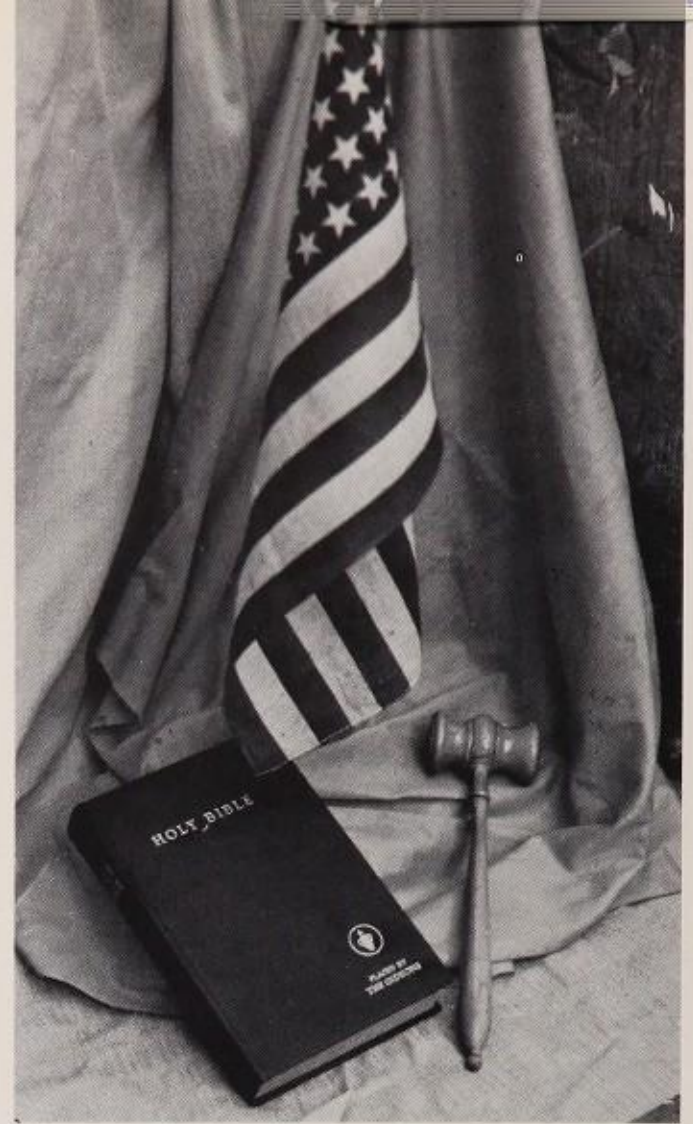

that education is for all . . . that education should meet the needs of every student . . . that all interests should be considered and that administration and faculty should be dedicated to directing and molding the individual with foresight and consideration . . .

We know that some of the students will become scientists, some mathematicians, teachers, artists, homemakers, and businessmen, some butchers, bakers, and candlestick makers . . .

We believe that God created us as individuals and as such we must develop and grow . . .

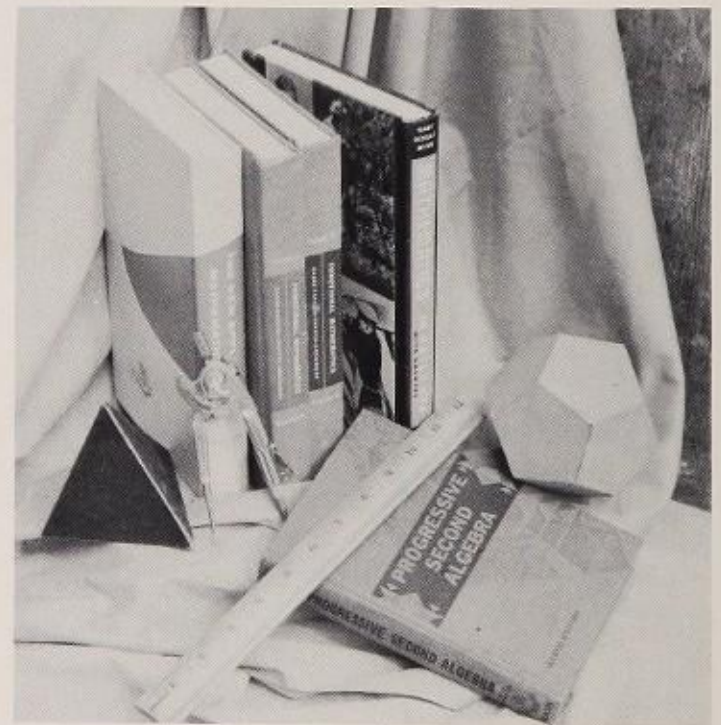

We believe that whatever our calling, the primary purpose of our school is to lead, direct, and cultivate whatever talent the individual student might possess so that he may become a worthy citizen . . . proud to call Seabreeze his Alma Mater . . . and have Seabreeze proud of his accomplishments.

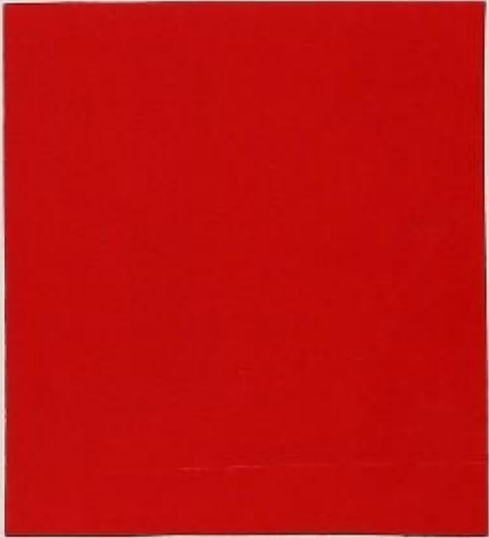

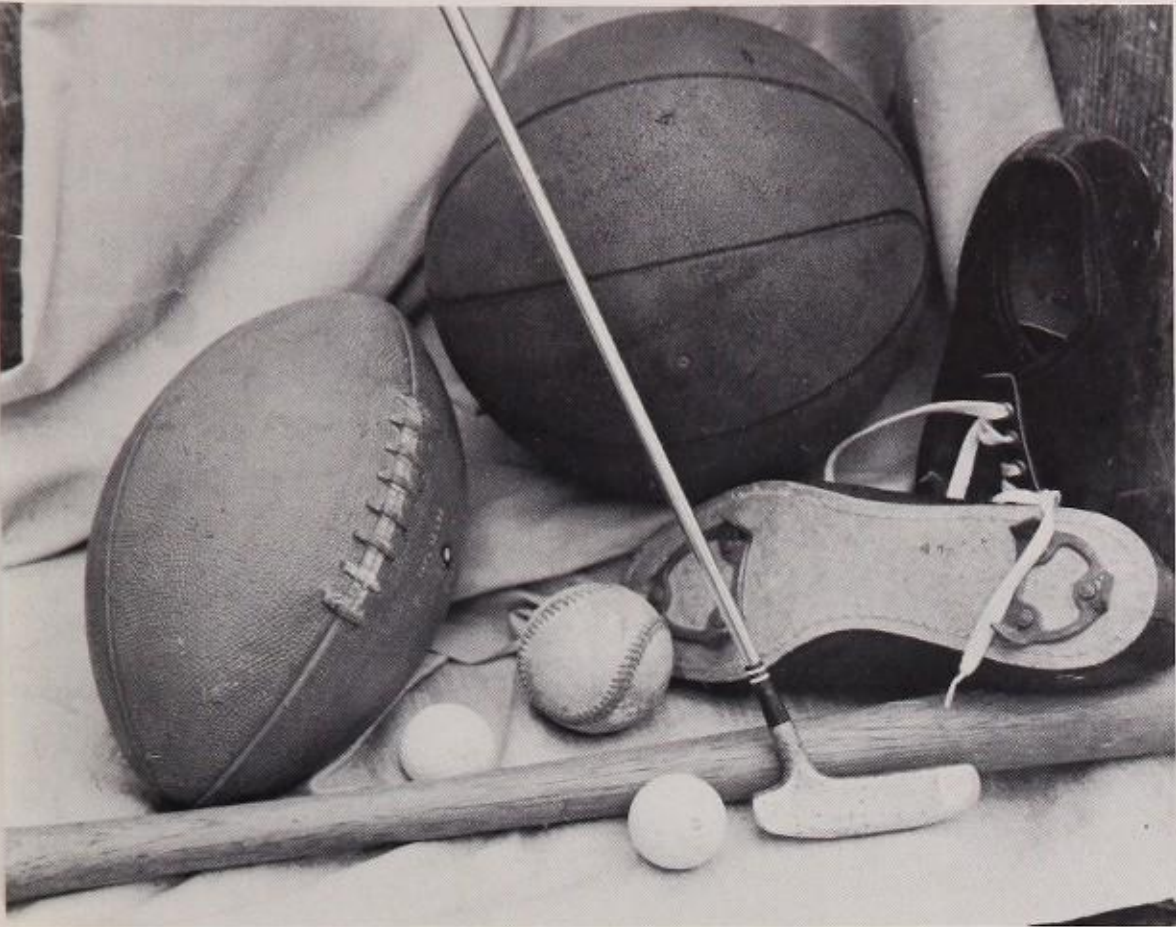

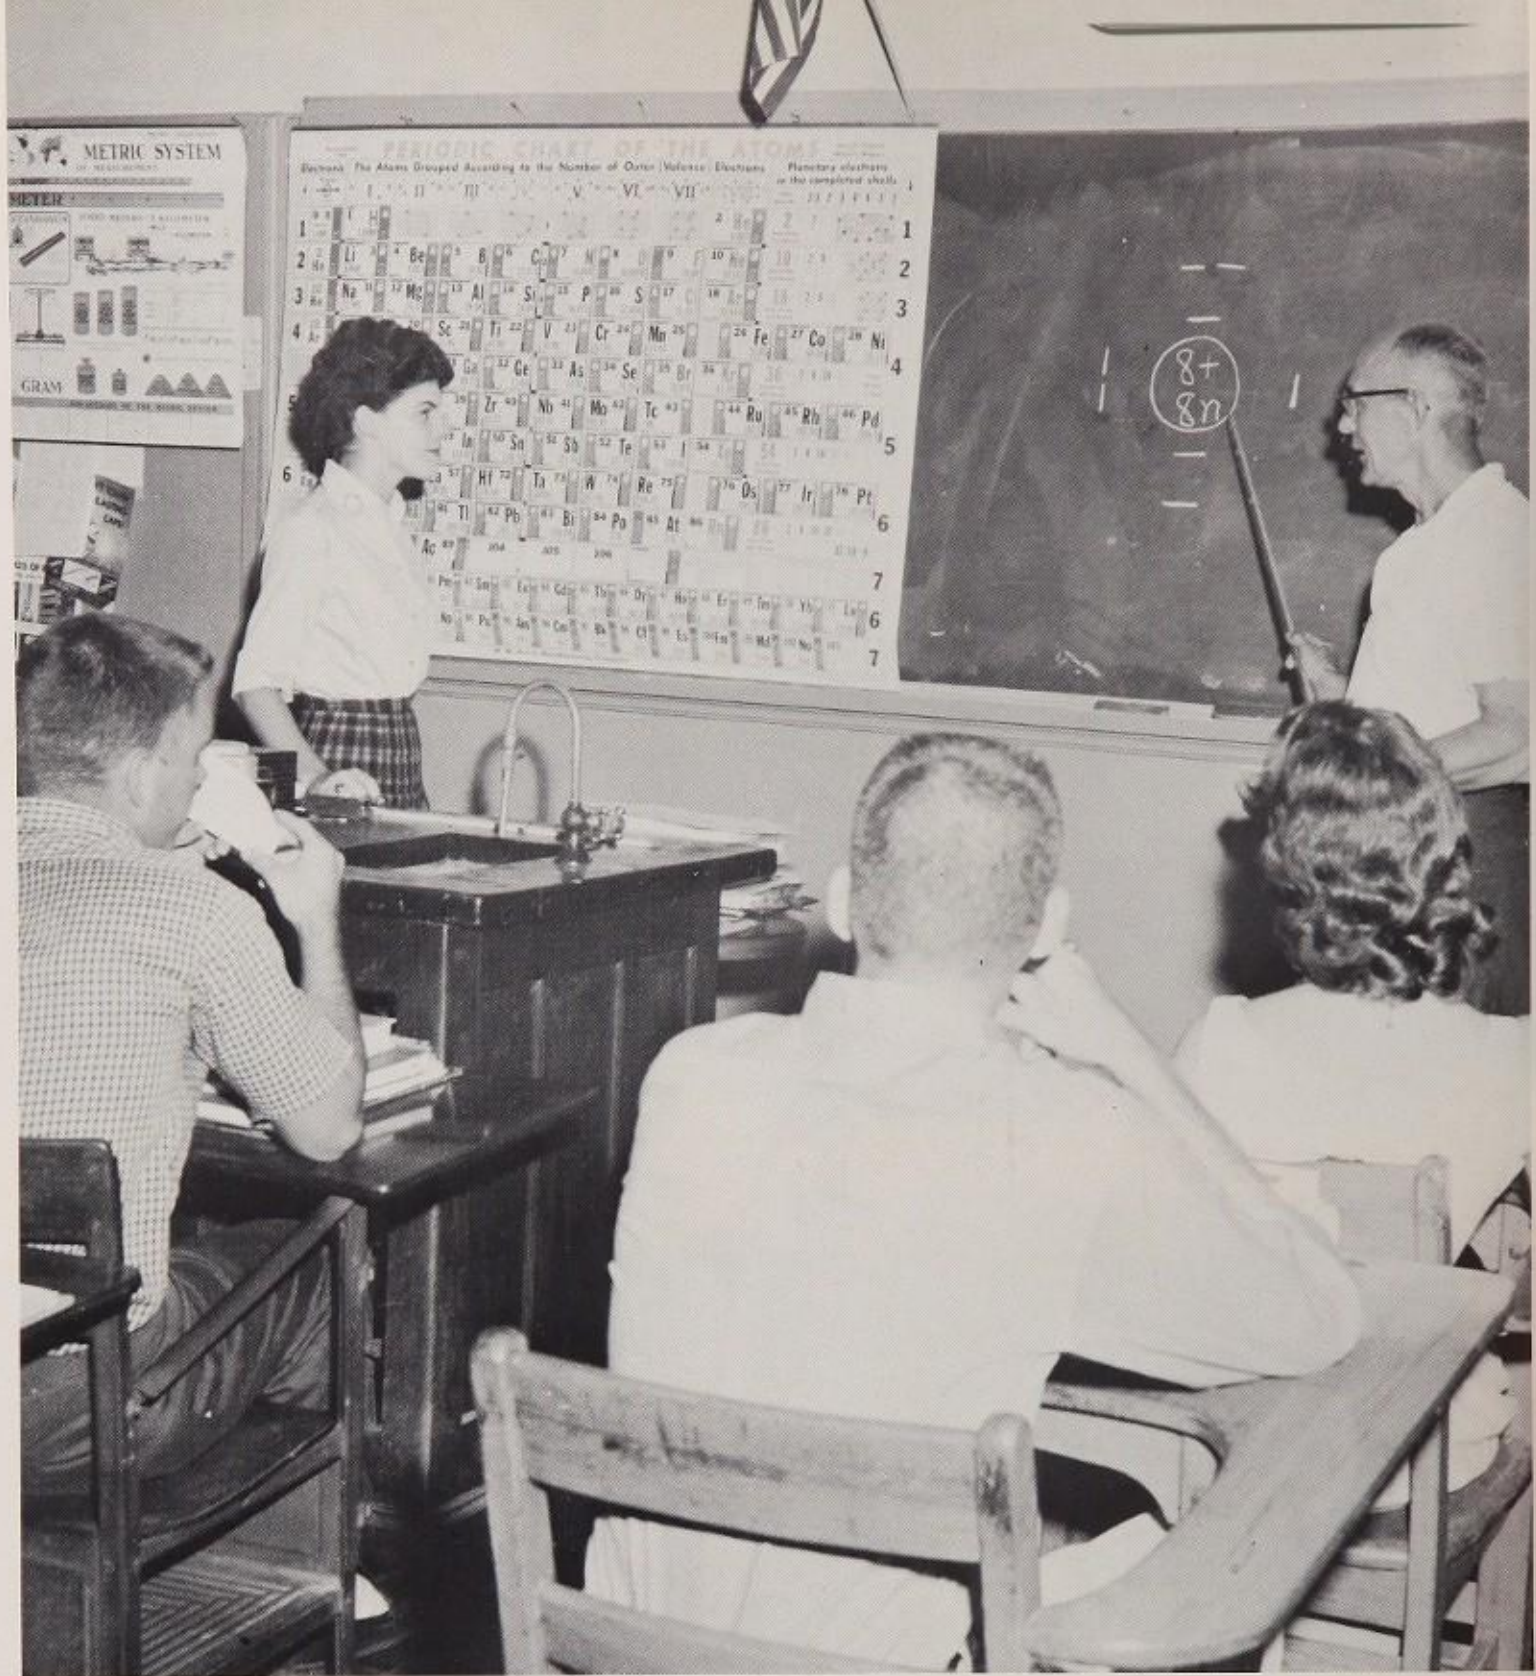

OUR SCHOOL OFFERS

. . . a varied program designed to give each student a well-rounded schedule of activities. Through academic courses, classes in the arts, business courses, home-making, athletics, clubs, and social activities, each student has an opportunity to develop his abilities and interests. At Seabreeze our students enjoy the outstanding privilege of governing themselves, thereby stimulating leadership ability. A further step in self-government is the plan for a school honor system, which was inaugurated this year. Careful study and thought have been given to this project so that it can be smoothly integrated into the school program. This variety of activities enables the Seabreeze student to meet more capably the problems of the future.

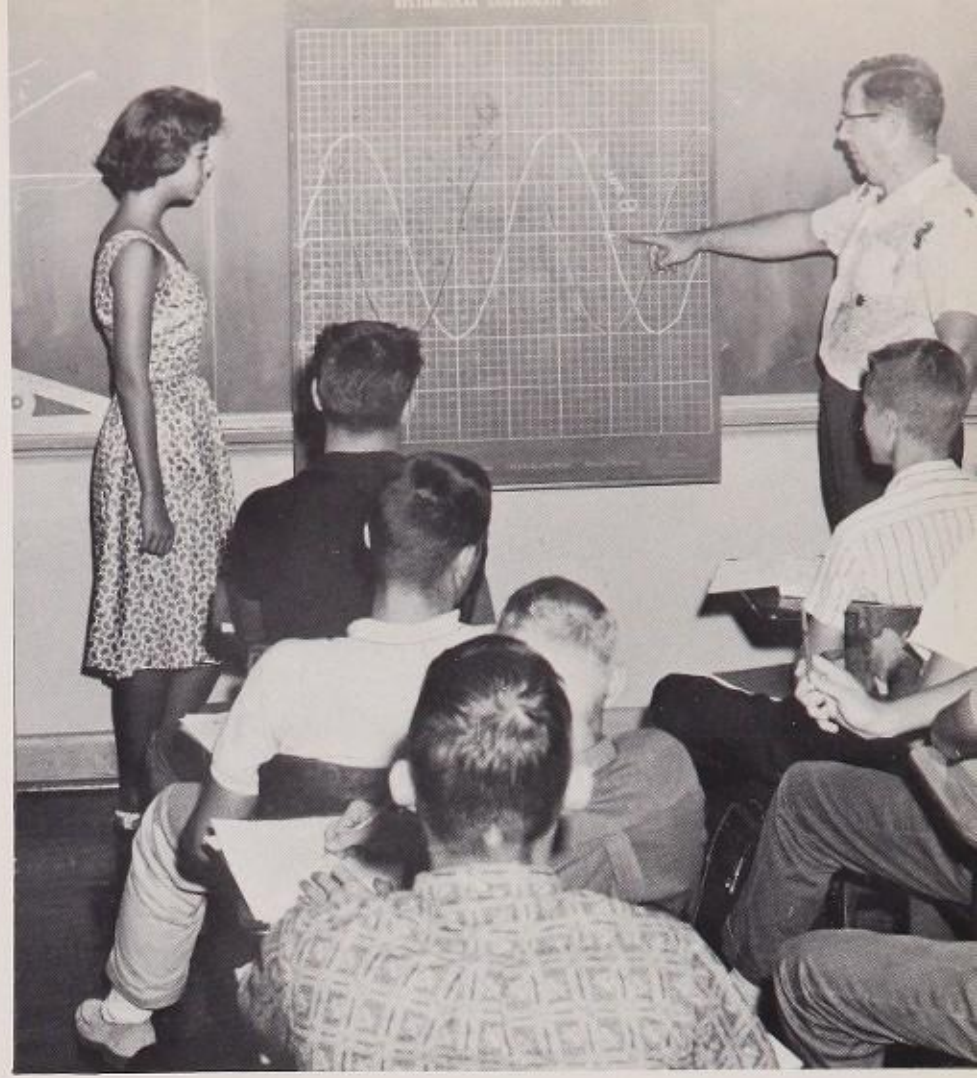

OUR SCHOOL STRESSES . . .

. . . the importance of including academic courses—mathematics, science, history, and languages—in a student's schedule. Since about eighty-five per cent of the young people graduating from Seabreeze continue their educations in institutions of higher learning, college-preparatory courses are an essential part of our school's curriculum. We are fortunate in having an excellent staff of teachers in these areas, for without them we could not have a successful academic program. In addition, many national tests concerned with academic pursuits are given to Seabreeze students, so that they can see how they compare with other high school students in the nation and can learn in what areas of study they are weakest. They can then work to correct their deficiencies. Through this program, our students are better able to comply with the increasingly difficult entrance requirements of all colleges and universities.

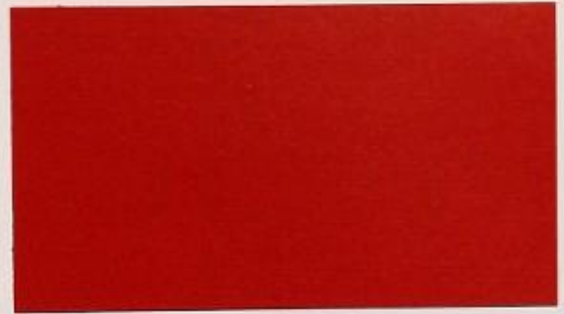

OUR SCHOOL ENCOURAGES

. . . activities which promote physical, mental, and social growth. The various classes and sports activities centered around the gymnasium and athletic field aid in the development of well-trained bodies, promote good sportsmanship, and encourage high school morale. A fine school spirit is seldom lacking at Seabreeze. At football and basketball games, our students, led by a vivacious squad of cheerleaders and our fabulous Marching Hundred, announce to all our pride in our school and its teams. This same spirit is evident in other phases of school life. The purpose of all clubs at Seabreeze is to teach the importance of serving the school and community. Dances, picnics, and parties—often sponsored by these clubs—all provide a means of improving the social graces.

OUR STUDENTS BELIEVE . .

. . . and practice the fundamentals of democracy on which our country was founded. Each class has equal representation and equal voice in our student government. Our student police enforce the rules and regulations of our government—rules that were originated in our Senate with administrative approval. Every morning, school begins with the raising of the American flag while a group of buglers selected from our band plays "To The Colors," symbolizing loyalty to our country. The spiritual background of our students is strengthened by our daily devotions in homerooms. Members of the speech classes lead us in devotions during our weekly assemblies. The dress-right program fosters personal and group pride. Many new students come to Seabreeze yearly and each is readily welcomed and accepted into the school's daily life. Through special assemblies and the help of the Welcome and Guidance Organization, our new students soon exhibit the same pride and loyalty to Seabreeze as its native sons do.

OUR ADMINISTRATION AND FACULTY

OPEN THE DOORS TO LEARNING

OUR PRINCIPAL DIRECTS US . . .

Every successful organization has an outstanding leader at its head. Such a person is the principal of Seabreeze High School, Mr. Samuel Miller. Working with the student leaders and faculty advisors, he has encouraged the building of a school where the students govern themselves under the guidance of the faculty. He has worked diligently to give the school an air of dignity and a high standard of academic achievement. He takes a personal, sincere interest in the accomplishments of the students of this school and is dedicated to making Seabreeze a high school acclaimed in educational circles.

OUR DEANS GUIDE US

Mrs. Kraeuter has a keen, sympathetic understanding of the girls of Seabreeze High School. She is genuinely concerned with guiding them successfully through their high school years and leading them into wise choices for the future, be it college or vocation.

As dean of the junior and senior boys, Mr. True is constantly aware of the problems that arise during these final two years of high school. In this capacity, he has the responsibility of molding these boys into the adult leaders of the future.

Mr. Nelson has the important responsibility of guiding the freshman and sophomore boys. These are the years when leadership ability and other desirable qualities are developed, so the man who holds this position must have an understanding of the problems and decisions these boys face.

STUDENT GOVERNMENT ASSOCIATION

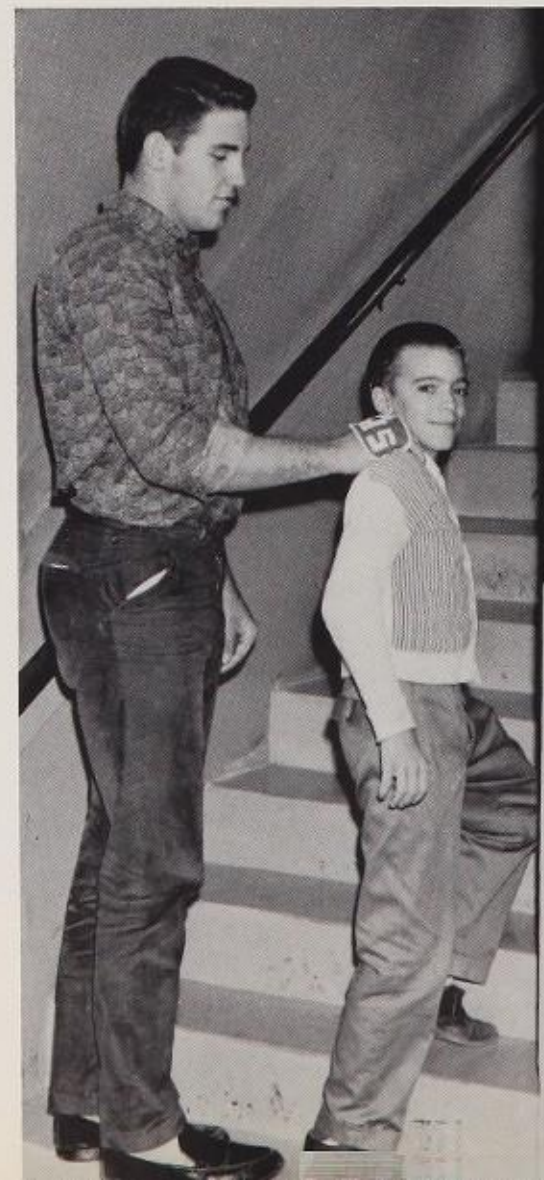

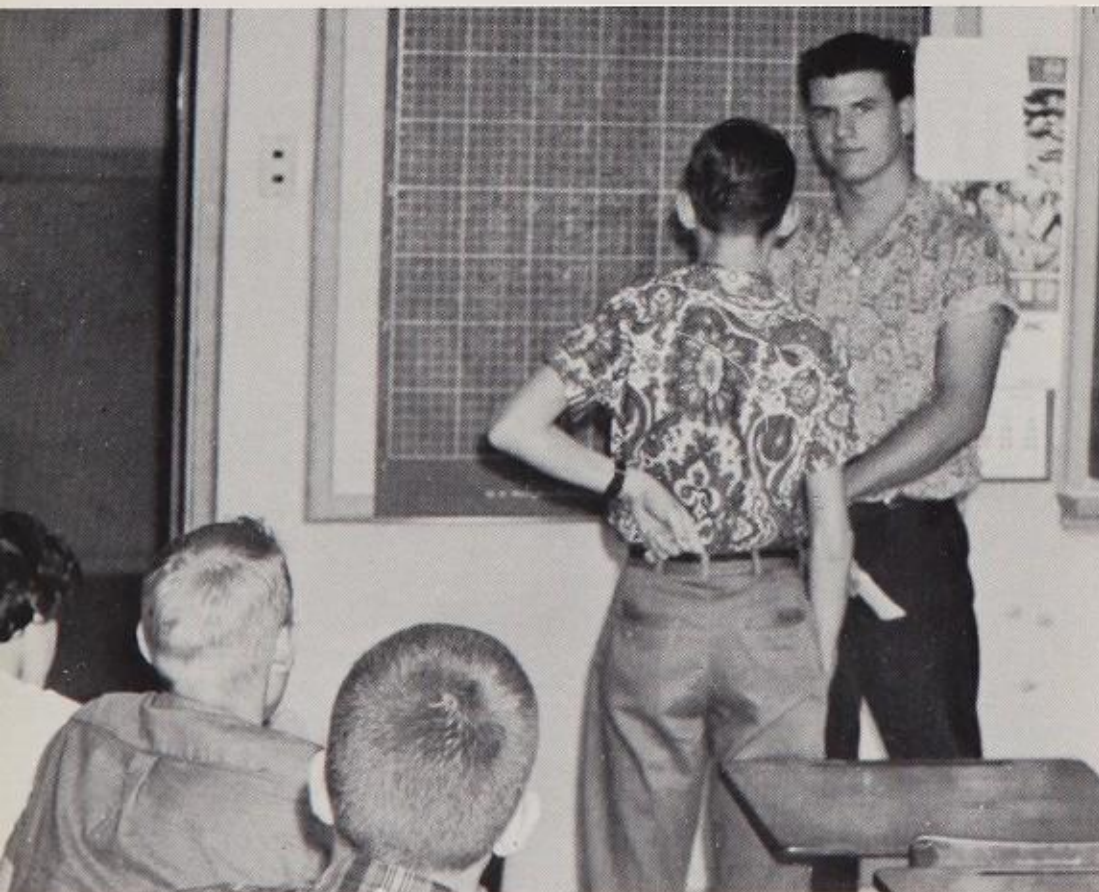

"Working with young people is the light of my life—especially the choice young people who form the nucleus of the Seabreeze Student Government Association. Their sense of responsibility, cooperation, and duty is an inspiration to all who work with them. I'm happy to be the consultant, or sponsor, of so fine a group."

Daphin C. Marshall

Mrs. Daphin Marshall is the very capable and interested sponsor of the Seabreeze Student Government Association. Under her guidance and direction, the Association maintains an air of dignity and worthwhile accomplishment. She serves as the liaison between the student government and the administrator, Mr. Miller. Her supervision, which has extended from assembly programs to youth workshops, has helped to produce a system of government which is envied and praised throughout the state and the nation.

OUR SCHOOL ENCOURAGES US TO GOVERN . . .

The system of student government in operation here at Seabreeze is one of the finest in the nation. Under the guidance of Miss Natalie Lamb, the present system was launched twenty-one years ago. Through the years the Seabreeze Student Government Association has developed into an outstanding organization, praised by schools all over this nation, and sometimes outside the United States. Letters asking about our SGA have been received from as far away as Canada.

Fine student leaders deserve much credit for the success of this system. The president of the student government, working with the sponsor and the principal, strives to keep the system running smoothly. Presiding over the Senate, which is composed of a boy and a girl from each grade, is the main function of the vice-president. This group, the legislative branch, has the responsibility of approving or rejecting any proposed school activity. Our staff of student police enforces the laws of the school. Offenders are given tickets and must appear in the SGA court—the judicial branch of our government—for trial by jury.

The students of Seabreeze High School realize how privileged they are to be allowed to govern themselves. Seabreeze students have proved themselves worthy of self-government, and have thus upheld the fine reputation of our high school.

. . . OURSELVES AS WELL AS OTHERS . . .

S. G. A. OFFICERS

1st Row L-R: Florence Morrow-Treasurer, Bill Murphy-Judge, Terry Ford-President, Claudia Grooms-Secretary, Bob Hughes-Vice President.

The pattern of student government here at Seabreeze serves as an example to other schools all over the nation. The success of this system can be largely attributed to the fine SGA officers who have served through the years. Elected each semester by the student body, these officers must have a 2.5 scholastic average and a 2.0 average in citizenship. The young people elected to these high positions are chosen for leadership, the ability to get along well with young people and adults, personality, and integrity.

... ALWAYS EAGER TO SERVE ...

Through the PTA, the parents of Seabreeze students learn more about the activities of the school, become acquainted with Seabreeze teachers, and render service to the school. Get-acquainted teas at the beginning of the school year and monthly meetings help to inform the members about young people. This year, for the first time, the Seabreeze PTA has organized a Parent's Auxiliary. Acting as aides to the faculty, our parents gain insight into the operation of a high school, and help with these operations by working in the office, typing and grading papers for faculty members, and giving various other services.

FIELDS A PROUD 1960 VARSITY

Below: Managers-John Kern, Bill Chandler, Bob Keen.

SEASON'S RECORD . . .

JACKSONVILLE FLETCHER—The Sandcrabs stunned everybody as they stomped Fletcher 40-0 in their opening game. The "Crabs" led by right-halfback Bobby Walser (3 T.D.'s) took advantage of every break in this shut-out game.

MAYNARD-EVANS—Hurt by penalties most of the night, the Sandcrabs settled for Walser's two touchdowns and two conversion points by quarterback Bill Bass to beat Evans 14-0.

PALATKA—Mistakes and a hard-hitting team of Maroons dealt SHS its first and last defeat of the '60 season. The "Crabs" only score was a 13 yard sprint by Bert Bockoven, leaving the score 12-6.

SANFORD—A strictly defensive battle for both teams ended in a 13-0 score. Two touchdowns by halfback Richard Smith and a spectacular faked conversion (pass to end Larry Gagner) made the score for Seabreeze.

ST. AUGUSTINE—A last desperation effort by the Yellow Jackets ended in failure, leaving SHS victorious 7-0. The touchdown-conversion team of Walser-Bass made the score.

GREEN COVE—The previously unbeaten Blue Devils were awakened by a 27-0 cooling off by the smart Sandcrab "11". Horace Smith and Bobby Walser sparked a brilliant offense and Sam Moore and Roger Orrell, a hard-nosed defense.

DELAND (Homecoming)—The Bulldogs were simply not enough for the powerful "Crabs", who administered a 47-7 beating. Outstanding were Charlie Cobb and Richard Smith, each scoring 3 touchdowns.

TITUSVILLE—In capping their 7th victory of the season, the game-winning Sandcrabs rolled over the Terriers, 44-0. Scoring 2 T.D.'s each were Nelson, Bockoven, and Walser.

WINTER PARK—The Wildcats were no competition for Seabreeze, even though a rash of penalties kept the score down. The 7th shutout of the season was won by a 28-0 margin.

NEW SMYRNA—The Barracudas, although planning on ruining a near perfect Sandcrab season, proved no serious threat and received a 40-13 wrecking. Bert Bockoven played a terrific offensive game and received credit for 2 T.D.'s.

With sparkling personalities and energetic cheers, the cheerleaders encourage the school spirit at sports events and at pep rallies. Their infectious enthusiasm often means the difference between winning or losing a game. These versatile girls also participate in the pre-game and half-time band shows. Their good sportsmanship and courtesy to the other team shine forth in the giving of a dinner for the opposing cheerleaders. These spirited girls spark the great Seabreeze spirit and school pride.

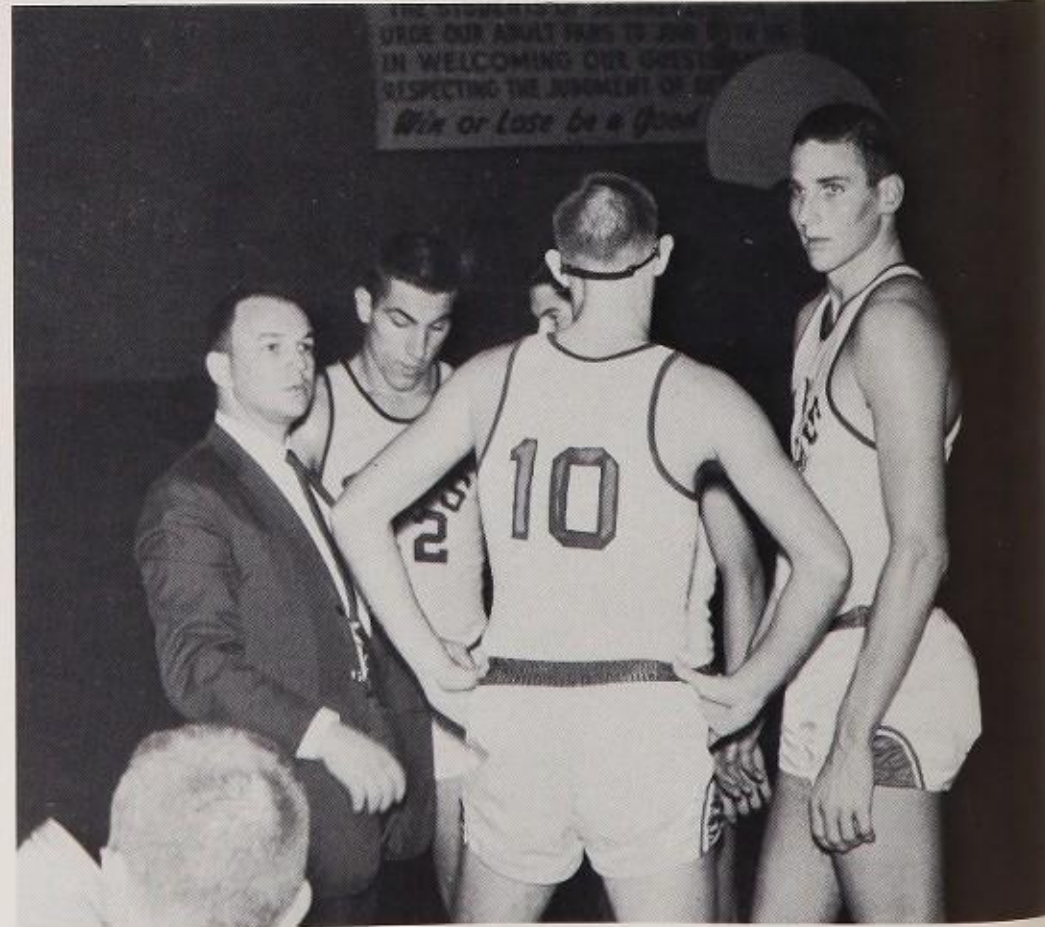

The Seabreeze basketball team of 19-60-61 has carried on a winning tradition with a 21-2 record. Head coach of the Sandcrab hoopsters is Jack Surrette, bringing fresh know-how from West Virginia. Ably assisted by Jerry Chandler, also acting as "B" squad coach, the pair developed the skill and finesse which have always characterized Seabreeze teams.

Born in Charleston, West Virginia, in 1928, Coach Surrette attended Stonewall Jackson High School and later, Morris Harvey College and Western University at Morgantown. Before coming to Seabreeze, he coached at South Charleston High for seven years.

BEACH BOWL CHAMPS

A 14 game Wildwood winning streak was brought to an abrupt halt in the Beach Bowl as the Crabs hard-hitting offense overwhelmed the Wildcats to the tune of 34-21. This was the contest for the mythical Class A championship, with Seabreeze and Wildwood acknowledged contenders in that class. The Sandcrabs victory put a new trophy in the halls of Seabreeze High School.

The game got off to a sudden start when Larry Gagner blocked a quick kick, picked up the ball and rambled into the endzone. From there on, Walser, Bockoven, and Richard Smith scored—Walser twice. It was a tremendously hard fought game, and the Seabreeze victory proved to all that the Sandcrabs for '60 deserved the title of "Champions".

We, the staff of the 1961 SANDCRAB, consider it a great honor to have served Seabreeze High School in this position. Much of our Senior year has been dedicated to making the 1961 SANDCRAB a yearbook unequalled in quality and content. This Annual is the result of many hours' work gladly given by us. An equally important, though intangible, result is the sense of teamwork which has evolved in our staff during the year.

To the student body and the administration go our sincere thanks for your cooperation during the year. We wish to express special appreciation to the "silent partner" of the literary staff, Mrs. Edna Kemp, for her undying patience and assistance.

One person yet remains to be mentioned. Words are inadequate in expressing our appreciation to the stabilizing influence of this staff, Mr. Hal Yates. Always guiding, never dictating—he has the ability to bring calm into any tense atmosphere. Ever ready to lend a helping hand in times of trouble, he will be remembered by this staff, as we are sure by past staffs, for his tireless efforts. Without him, the 1961 SANDCRAB, as you see it, could not have materialized.

Now as you read this, our work is completed. Soon we of the 1961 staff will be graduating from this high school, leaving behind this yearbook as a record of our achievement as a team. Whether we have reached the goal we set out to conquer can only be determined by you who view the final product of our efforts. Regardless, we shall always remember this experience as one of the happiest and most worthwhile phases of our high school life.

Officers L-R: Sally Hearon-Treasurer, Dick Livingston-Vice President, Sandee Dalton (resigned-replaced by Diane Stephen) Secretary, Larry Gonzalez-President.

The Junior Honor Society invites into its membership those students of the ninth and tenth grades who meet its high academic standards. The requirements for membership are an average of 3.5 in scholarship and 2.5 in citizenship for the first semester of the freshman year. This standard must be maintained for each six-weeks period so that an honor student entering his junior year is prepared to step into the Senior Honor Society.

1st Row L-R: Bob Hughes-Vice President, Hayden Allen-Sergeant at Arms. 2nd Row L-R: Cherry Appenzellar-Historian, Mary Carol Turney-Secretary, Bob Niro-President. 3rd Row L-R: Mrs. Stewart-Sponsor, Susan Nau-Treasurer, Beth Kleiber-Chaplain.

Scholarship, Leadership, Character, and Loyalty—these are the standards a candidate to the National Honor Society must meet. To become a member of this organization is one of the highest honors a student can attain during his last two years of high school. Members must meet the same scholastic and citizenship averages as members of the Junior Honor Society. Despite these high academic requirements, a large group of new members is added each year. These young people are leaders among their fellow students and their character and loyalty are exemplary.

The Latin Club is an organization designed to promote an interest in the classics of ancient Greece and Rome. Their motto, "To the stars through difficulties," encourages them to aspire to higher goals. The Latin Club participates in such activities as a Roman Banquet at the end of the year and a Latin Forum where ancient Rome comes alive and the members find themselves in a truly Roman atmosphere.

The Future Nurses Club is not only made up of girls interested in becoming nurses, but also girls interested in every other phase of medicine. The members become acquainted with the numerous positions connected with the medical profession and recent advancements in the field. They enjoy and profit by guest speakers and field trips. Each member becomes more aware of the problems of people, a major factor in becoming a good nurse.

FUTURE TEACHERS OF AMERICA

The goal of the Future Teachers of America, a Junior division of the National Education Association, is to stimulate and further interest in teaching as a profession. THE THESPIANS FOR TOMORROW'S STARS . . .

The Thespian Club is the student organization that supervises all school dramatic productions, with the exception of the glee club production. This organization not only provides the members with basic background in the theatrical arts, but also gives them an opportunity to overcome their self-consciousness. Through various plays and skits, the student becomes acquainted with every aspect of theater production from lighting techniques to acting. Such experiences allow students to acquire poise and self-assurance which will be a great asset in future years.

AS "OUR TOWN" BY THORTON WILDER . . .

Thornton Wilder's Pulitzer Prize Play, "Our Town," was very effectively presented by members of the Thespian Club. Very little scenery is used in the production, and the responsibility of setting the background is placed on the actors through their speeches and actions. Tears filled many eyes as the wedding procession, with bridesmaids in pastel gowns and a radiant bride in traditional white gown, moved slowly down the aisle. However, the most shocking part of the play came during the funeral scene, when a funeral procession slowly proceeded down the aisle with a real coffin at the head of it. It was an event long to be remembered.

This year the Vocal Music and Speech Departments chose for their annual production, Victor Herbert's "The Red Mill." The plot of this story, which takes place in the town of Katwykannzee, involves a young maiden named Gretchen who is in love with a sea captain, Hendrik, but her father, the Burgomaster, wants Gretchen to marry the Governor of Zeeland. Two Americans, touring Europe on a "very low" expense account, plot to help Gretchen and Hendrik elope, and in the meantime add a great deal of comedy to the story. This production was quite an achievement for the young people participating.

AND THE RED MILL IN COOPERATION WITH . . .

Selected through try-outs, these members of the Girls Glee Club are called upon to represent the glee clubs many times during the year. The girls sing both secular and sacred music, thereby enabling them to plan appropriate programs for the various functions at which they are asked to appear. This fine singing group brings honor and praise to our school.

Chosen for their vocal ability, cooperativeness, and reliability, this choral group performs at many public functions during the year, acting as representatives of the Seabreeze vocal music program. With a well-balanced musical organization, these young people strive to achieve the rich tone quality necessary for a polished performance.

THE GIRLS' GLEE CLUB . . .

Officers L-R: Cherry Appenzellar-Vice-President, Barbara Hester-President, Michelle Boucher-Secretary. Not Pictured: Katie Walsh-Treasurer.

With over 150 enrolled this year, the Seabreeze Vocal Music Program has made outstanding contributions in the school and community. Through the combined efforts of the Girl's Glee Club, the Mixed Glee Club, and the members of the Applied Music course, production of "The Red Mill" was made possible in addition to several school assemblies and numerous performances for civic clubs during the year.

In January, 15 members of the glee club, chosen for ability and past service, attended the Florida Music Clinic at Tampa, where they participated in the Concert Chorus — a group whose goal was an outstanding performance at the concert ending the Clinic — and the Experimental Chorus — a group which learned new music, sightreading each number. Then in March the District IV glee club competition was held at Seabreeze, followed by the state competition in April. The Seabreeze choral groups acted as hosts for both functions.

The Vocal Music Program is coordinated by Mrs. Pauline Heft, who has been the Seabreeze choral director for four years. During those years she has endeared herself to the hearts of Seabreeze students, particularly those under her direction.

A MARCHING HUNDRED . . . 108 STRONG . . .

TWIN MAJORETTES

The S.H.S. Marching 100 has enjoyed its finest year, with 60 performances, including a national T.V. appearance in Detroit for the Thanksgiving Day classic between the Detroit Lions and the Green Bay Packers. This program was viewed by 80 million people with no commercial break-ins. Other appearances included 10 successive half-time shows supporting our great Sandcrabs, numerous parades, a concert with the Mainland High School Band with soloist Rafael Mendez, the world's most versatile trumpeter. Our band participated in the district band contest in Winter Park to qualify for the state contest in Miami. Many of our soloists won superior ratings in individual contests. The Marching 100 is indeed an organization of which the school and the entire community can be justly proud.

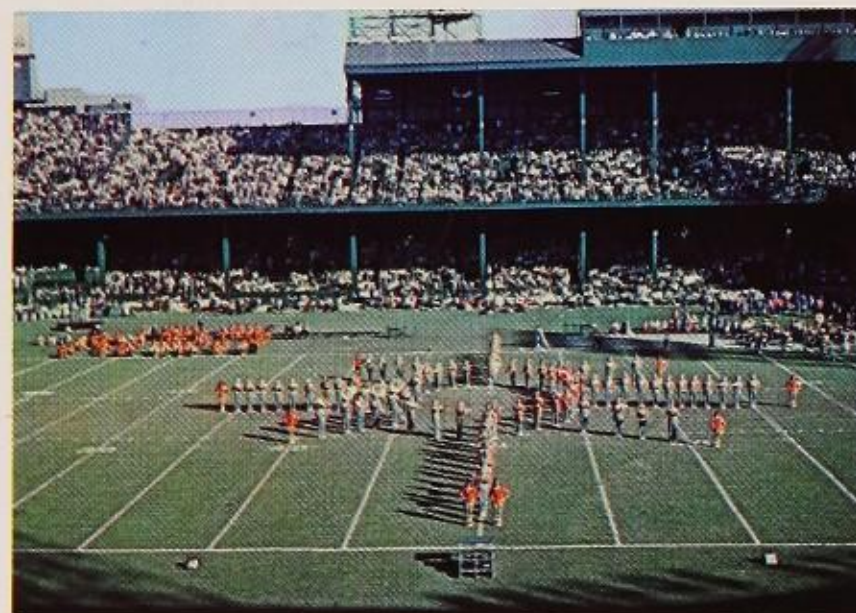

"Band performs before 80 million people on C.B.S. show."

"Seabreeze Band Smash Hit."

"Keys to city given to Seabreeze Band."

PRODUCING OUTSTANDING HALFTIME SHOWS . . .

Seabreeze Band — "Daytona Ambassadors of Good Will."

"... splendid performance which focused attention of the nation on our Sunshine State." Gov. LeRoy Collins.

"... congratulations to you all on your fine Thanksgiving halftime performance in Detroit." —Farris Bryant, Gov. Elect.

"... tremendously proud of the wonderful Seabreeze Band in Detroit." —Sidney Herlong, Congress of U. S.

This year the band was doubly fortunate to have two talented young ladies to lead them as twin head majorettes. Behind them was our excellent corps of eight well drilled and equally talented girls. They spent many hours working on marching, twirling, and routines to present shows which always made us proud. This precision corps is known as one of the best in the state. P. S. Seabreeze drum majorettes Dottie and Karla, selected as Head Majorettes — University of Georgia.

WITH OUR BEAUTIFUL MAJORETTES

COMEDY SUPPLIED BY THE "RUBBER-BAND" . . .

A group of musical virtuosos who only play music that's rotten (written). This group, led by Allyn LeVeille, performed in outlandish costumes for pep rallies, civic functions and junior high football games. Some of the finest talent in the Marching 100 was in the Rubber Band. Some of their outstanding football shows were Trombone Player in a Telephone Booth, Used Lollipop Stick, Castro's Mustache, The Vicked Vixens, etc. Occasionally these musical maniacs were in great demand; always they were cheered and appreciated.

Members of the Rubber Band: Allen LeVeille, Junior Fulkerson, Joe Pace, David Kroll, Chuck Newman, Charles Wolfe, Jim Heath, Lloyd Morgan, John Laskey, Steve Wilson, Stanley Goldberg, Dickie Sizemore, Andy Brachhold, Dickie Brown, Bob Lewis, Steve Lewis, Bill Smedley, Charles Rizzo, John Norman, Noel Fidel, Dickie Becker, Gordon Robertson, Mike Robinson, Wayne Cipher, Jim Laskey, Gary Peterson, David Hackney, Charles Tiffany.

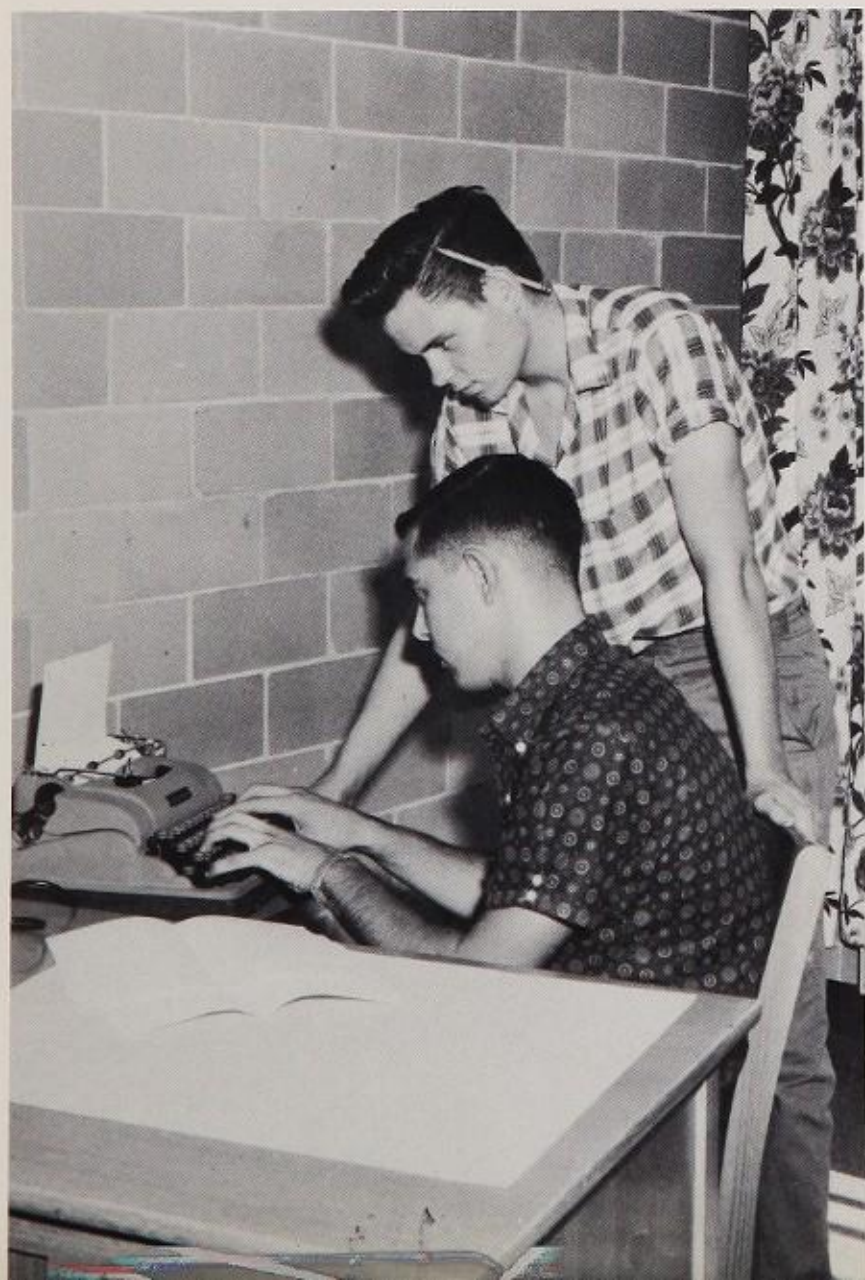

These five seniors have been responsible for accurately reporting school news to the News-Journal. This material must be written in an interesting, informative manner. Their reporting has been a part of their journalism class, where they have learned all about the newspaper. Training in this field will aid the student in the years to come, especially if he chooses a career in the area of journalism.

HOMECOMING WITH OUR KING AND QUEEN . . .

On November 4, 1960, many hours of work and planning came to a climax as Seabreeze High School focused on a homecoming celebration which will not be forgotten. For weeks the students had been industriously working on cars and floats for the parade in hopes that their entry might be judged best. Five floats—Tri-Hi-Y, DCT, Sophomore Class, Band, and Glee Club—and four cars—Thespians, Latin Club, National Honor Society, and Key Club—won places of honor. But every entry deserved an award, for all seemed well-planned and well-produced.

King Bert and Queen Terry, elected by the student body, reigned over the festivities with dignity and charm. They were attended by a court of four couples, and as a climax to the half-time activities at the game, the king and queen were crowned by Reverend Paul Edris.

The game was a time of great excitement and enjoyment. The DeLand Bulldogs, determined and eager, gave the Sandcrabs a real fight. However, the Seabreeze team, fired by an enthusiastic homecoming crowd which over-flowed the stands, pushed forward to victory with a final score of 47-7. The Marching Hundred, spirits high from an exciting first half, presented a fabulous half-time show which featured a beautiful presentation, "Fantasy in Fire."

Following the game, the SGA sponsored the annual homecoming dance, which had as its theme "Pink Perfection." The Palmetto Club provided the setting for the final hours of a fabulous day.

HOMECOMING '60—long to be remembered in the hearts of Seabreeze students.

IN NOVEMBER . . . DOGPATCH COMES TO LIFE . .

Once a year the students of Seabreeze have an opportunity to experience the joys of matrimony without the resulting responsibilities. During the weeks previous to

Sadie Hawkins, the hunting season is open — that is, hunting for males. Girls invite their favorite boys for an evening of fun, Dogpatch style.

CONTRASTED BY THE HOLLY-HOP . . . DECEMBER . . .

On a starlit night in December, the traditional Christmas formal came to life. Under a sky of tinsel and mistletoe, girls in flowing gowns and boys in dinner clothes presented an enchanting picture as they danced

to the enthralling music of Carter Cole. As the couples floated into the night, they carried away memories of a fabulous evening.

HI-Y AND TRI-HI-Y

Each year the Tri-Hi-Y and its brother club, the Hi-Y, following their theme as service clubs of Seabreeze High, take part in many projects for the school and community, such as the Cancer Drive and the March of Dimes. For the second year, the Tri-Hi-Y helped support, through the Foster Parent's Plan, a poor Japanese child. In January they sponsored the Coronation Ball, the annual crowning of Miss Seabreeze. The "Thought for the Day,"

a daily feature of the morning bulletin, was another project of the club. The Hi-Y sponsored the yearly "battle," the faculty vs. student basketball game. They also sponsored the Roundball Romp dance, gave Christmas and Thanksgiving baskets to indigent people of Daytona Beach, and arranged for the Homecoming •Court set-up at Memorial Stadium.

AND AS ALWAYS . . . OUR BEST ATTEND

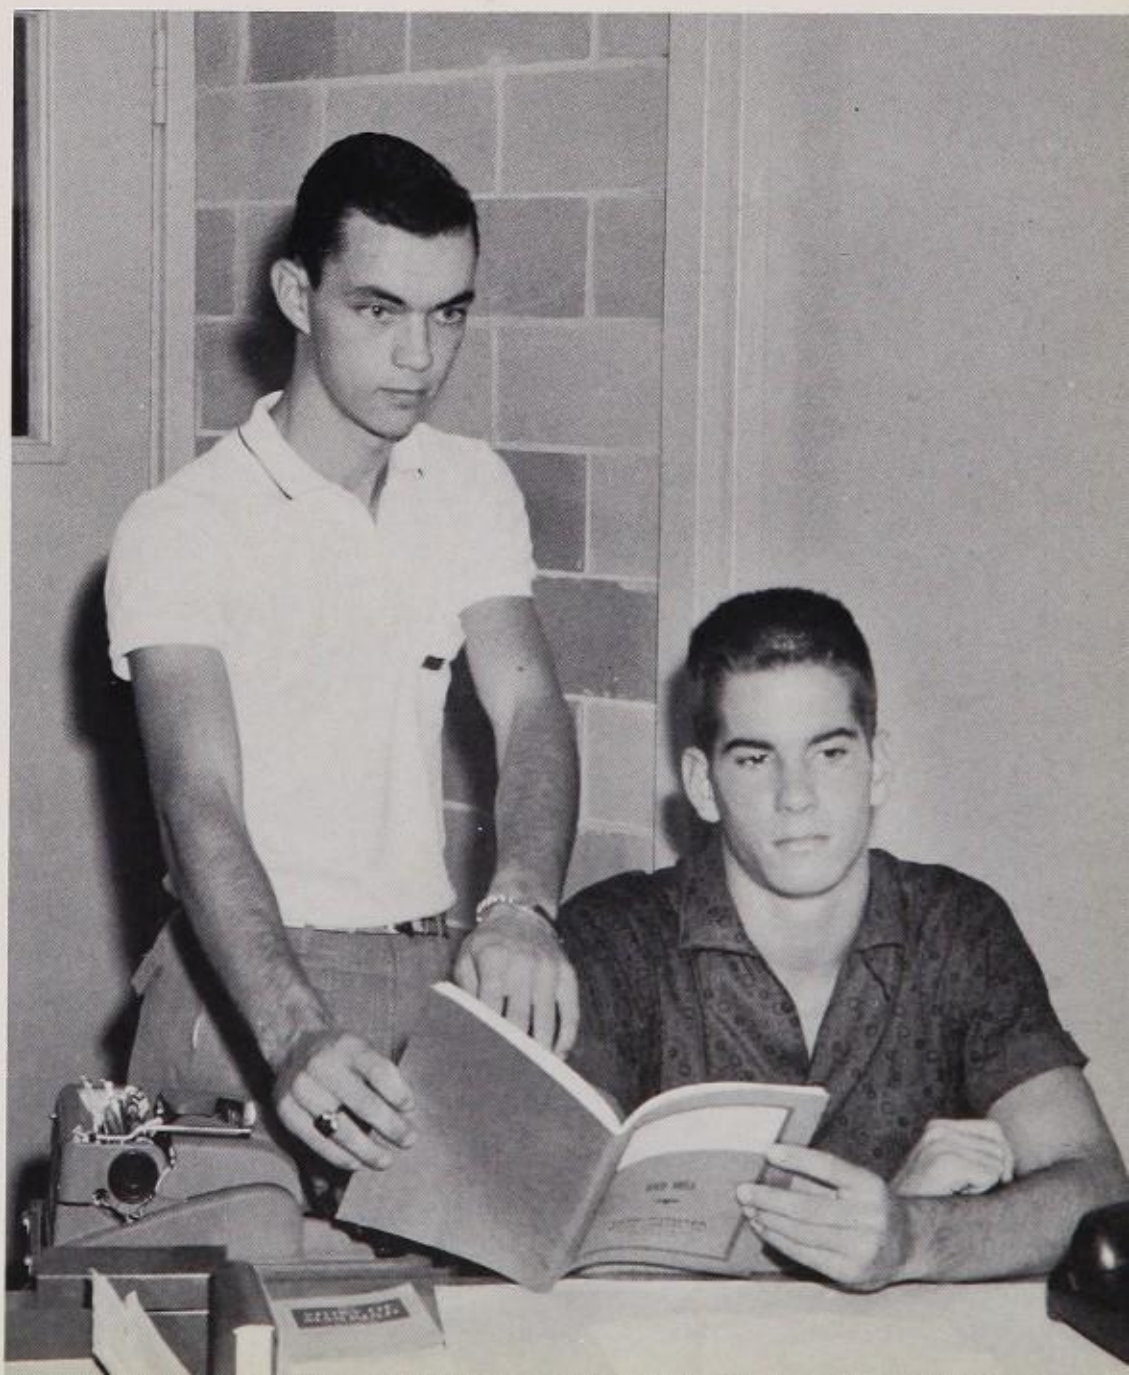

GIRLS' AND BOYS' STATE AT TALLAHASSEE.

Each year Seabreeze, like many other high schools throughout the state, sends delegates, chosen from the junior class, to represent us at Girls and Boys State in Tallahassee. Last year the faculty chose Susan Nau to represent us at Girls State and Garnell Rogers and Tom Cobb to represent us at Boys State. During the week-long sessions of each "State," the students set up a political situation patterned after city, county, and state government. They elected officials on all three levels and worked in the House of Representatives and Senate of Florida. During these seven days, the Girls and Boys Staters became acquainted with governmental procedure. Here, the future leaders of our state and country gained an insight into the fundamentals of good government. It was a week of learning, working, and living in a simulated political situation. Susan, Garnell, and Tom have all expressed their gratitude for the opportunity of attending and their feelings that their attendance there will make them better citizens of tomorrow.

OUR JUNIORS RISE TO THE OCCASION . . .

1st Row L-R: Steve Morrow-Vice-President, Barbara Quinn-Secretary, Louise Weadock-Treasurer, David Anderson-President.

Once they have crossed the half-way mark, the juniors take an active part in all student activities. Their extreme enthusiasm is evidenced in the great success of their magazine drive. Along with the added responsibility, the juniors enjoy many new privileges. For the first time, they may not only attend the Junior-Senior Prom, but serve as the hosts. The planning and presenting of a successful Sadie Hawkins dance also falls on them. Through these greater responsibilities, the juniors formulate the character and traits by which they will lead the school in their final year.

LOOK FORWARD TO BECOMING SENIORS . . .

SELECT SUPERLATIVES FOR THE 1ST TIME . . .

The title of the Most Intellectual Juniors in the class of 1962 this year went to Kathy Fentress and David Hackney, two outstanding and deserving students.

JUNIORS RECOGNIZE INTELLECT AND VERSATILITY . . .

To be elected most versatile a student must give freely of his time and talents to many activities. The members of the junior class felt that Bunny Jo Myers and Gary Oates most nearly met these qualifications.

MOST POPULAR

Their easy going personalities and singular abilities to get along with their fellow students have made Barbara Quinn and David Anderson the most popular juniors. Barbara's vivacious enthusiasm and David's outstanding leadership earned for them this title.

BEST LOOKING

With Patty Pennington's beautiful blond hair and sparkling blue eyes and Ben Dyer's tall handsome appearance, they easily meet the qualifications of the best looking juniors.

MOST ATHLETIC

Students elected most athletic must excel in the variety of sports offered by this school. Jane Derby and Larry Gagner are excellent examples of all around athletic prowess.

AS WELL AS POPULARITY . . . LOOKS . . . ATHLETIC ABILITY

SENIOR YEAR . . . AT LAST . . . A SENIOR . . .

BACCALAUREATE . . . GRADUATION . . . CLIMAX.

OUR SENIORS REALIZE IT IS THE BEGINNING

Gloria White-Treasurer, Eddie Gray-Vice-President, Marie Ronci-Secretary, Ronnie Ecklund-President.

As the members of the "Class of '61" worked through their final year at Seabreeze, they became increasingly aware of the fact that this was not the end, but the beginning of their lives as responsible citizens of our society. During this year they completed their studies of the past four years and prepared to step into various phases of adult life. Some planned to enter the armed forces, some to enter colleges and universities to further their studies in their chosen fields, and some to go immediately into jobs offered to them as high school graduates. Whichever one of these paths they decided to take, each of them knew that the past four years would be the foundation upon which he would build future achievement.

***WE WISH TO THANK
AND EXPRESS APPRECIATION TO THOSE
WHO HELPED MAKE THIS BOOK POSSIBLE.***

MRS. EDNA KEMP

TO THESE TWO

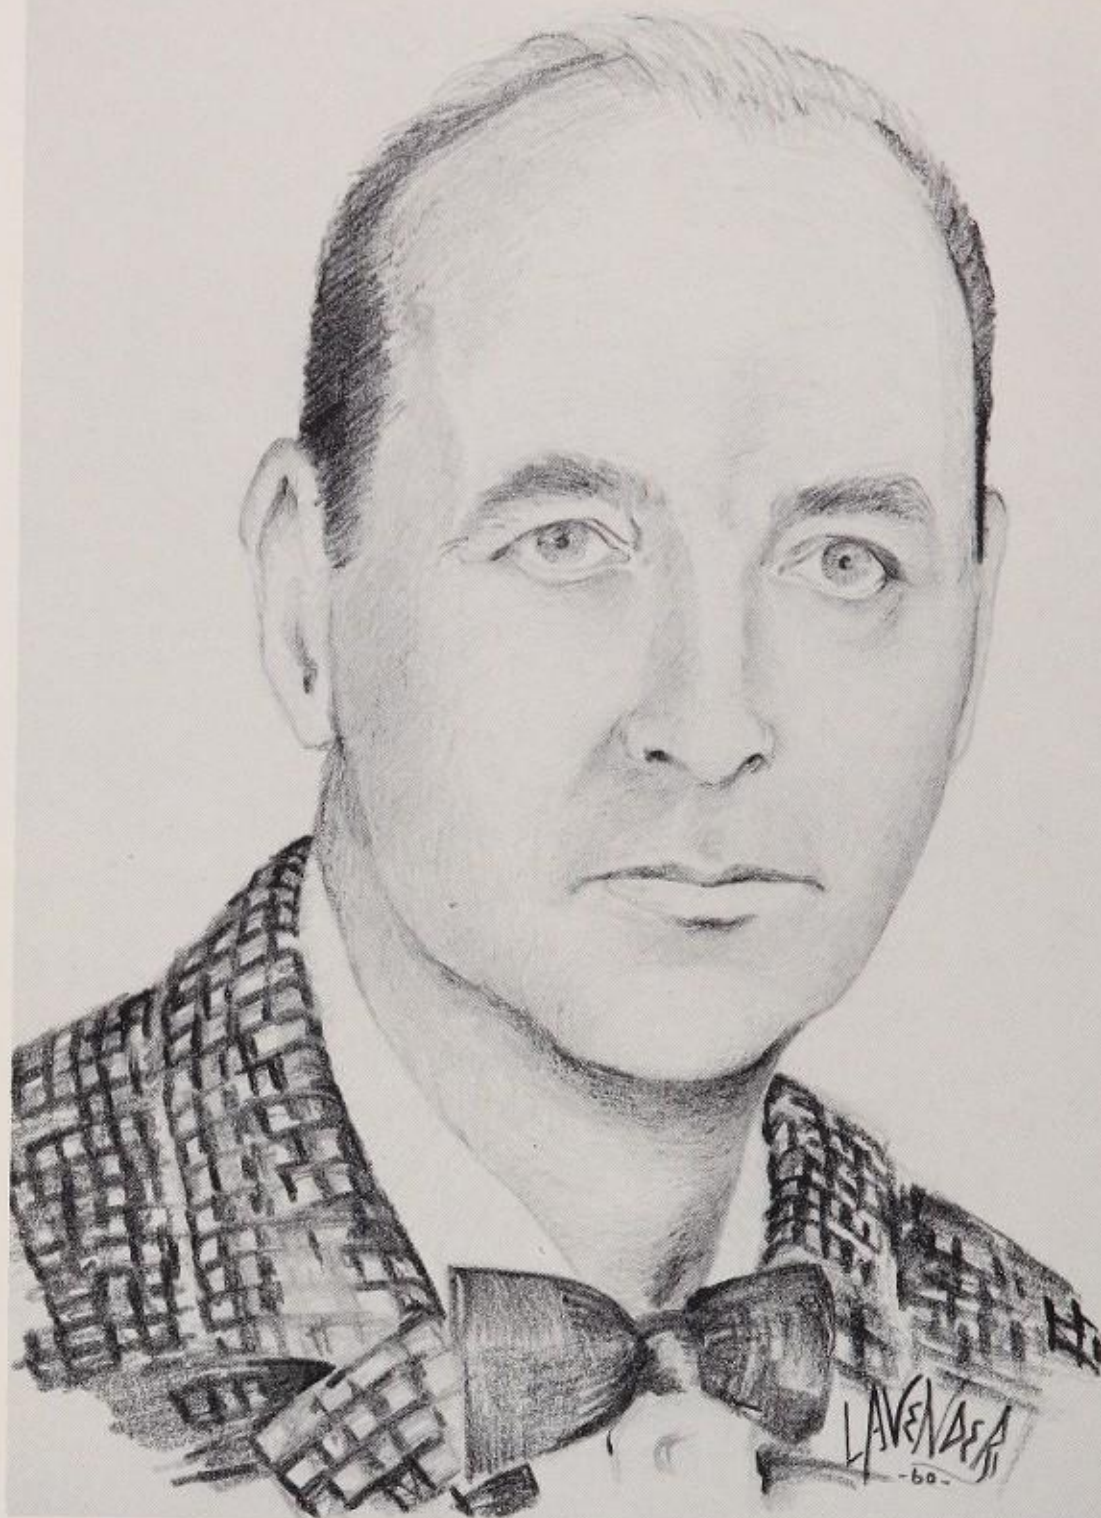

We of the Annual Staff salute Mrs. Edna Kemp and Mr. Hal Yates, the cohesive forces behind this publication. For the past years Mrs. Kemp, in addition to her time consuming responsibilities as a senior English teacher and sponsor, has given willingly of her time, effort, and advice so that our annuals might be as literally correct as possible. She has never refused to help any of the members of the staff during their many trips to room 33. We know the faces of certain staff members have become all too familiar to her during the year and we thank her for her patience and guidance.

AND SPECIAL THANKS

Every year the familiar words, "This is the last staff I'll ever supervise," ring forth from the art room. It is the haggard voice of our "devilish advisor," Mr. Yates, as he gently guides us sixty minutes closer to our fast approaching deadlines. Often we received the impression this would truly be the last staff. We hope not! We hope the trials and tribulations of this staff will not deprive future staffs of the superior leadership of a man so deeply devoted to producing a worthwhile annual. Because of their great contributions to this publication, we here dedicate the 1961 Sandorab...

Sandy:
May you achieve
all your goals (boys) &
may all your dreams
come true (money)
Lots of Luck.
Tom

To a real
sweet girl. Lots
of luck in the future.
Hope you get through
high school with ease.
Love,
Jackie

Sandy:
You are a
very sweet girl
and a very nice one.
and luck in everything
and especially with
your love life. I hope
you will be happy
with it. Love,
Jackie

Sandy,
Good luck in
everything you do.
Especially with them
boys. Chris

Sandy

To a real cutie girl
Hope you all the success in
the coming years.
Joy.

To Sandy:
I will always remember
the joy you with you. At
the Seenthouse with Mr.
Ruby. Let's have a nice
time during our 4 yrs.
at Seabrook. Good luck
always and happiness.
"Love you, Ann
Buttons"

Sandra,
You have been
one of the best friends
anyone could have.
The best of luck in
the future.
D.E.

Dear Sandra,
I know I signed before
but everything was so
rushed I couldn't write
what I wanted to.
I to really been wonderful
knowing you. I always
remember cutting thru the
back yard & waiting on
the corner. Let's hope
for more n.b. yrs.
Best of luck for
anything worthwhile
you may attempt.
Love ya,
Alice

Sandy,
you have
really had fun
discussing the main
thing in a girls life
(boys). Since Billy I wish
you all the luck with boys
success. I'm sure you will
achieve great things! They are the main
thing, so don't let me down - and stick
with them - Courtney.

Love
Courtney

Sandy
Always stay
as sweet as you
are now.
